Community Energy Efficiency Program Funded Organizations

Agency/Organization	Avista Corporation	
Grant Amount		
	\$410,250	
Project Contact	Greta Zink, Commercial DSM Program Manager	
Address	1411 E. Mission Ave	
	Spokane, WA 99220-3727	
Telephone	509.495.4793	
Email	greta.zink@avistacorp.com	
Project Focus: Avista provides duct repair and related services to manufactured home customers with moderate to low-incomes in Avista Territory.		
Agency/Organization	Clark Public Utilities	
Grant Amount	\$570,000	
Project Contact		
Project Contact	Debbie DePetris, Customer Accounts and Energy Reporting Services	
Address	1200 Fort Vancouver Way	
Address		
	Vancouver, WA 98663	
Tolonhono	200 002 2270	
Telephone	360.992.3279	
Email	ddepetris@clarkpud.com	
Project Focus: Clark Public Utilities, the City of Vancouver and Clark County continue their partnership to offer incentives to residential customers performing weatherization upgrades in Burton Ridge, Marion and Forest Ridge neighborhoods. The program will continue to target "moderate-income" households with a focus on residents over the age of 60. A limited number of "custom projects" with enhanced incentives will be available to improve the energy efficiency in community buildings owned or managed by nonprofit or community based organizations (e.g., a senior centers or community activity centers).		
	Community Power Works	
Agency/Organization	Community Power Works	
Grant Amount	\$500,000	
Project Contact	Christie Baumel, Climate Protection Advisor	
Address	700 Fifth Avenue, Suite 1868	
	Seattle, WA 98124-4729	
- ., .		
Telephone	206-233-7173	
Email	christie.baumel@seattle.gov	

Project Focus: Community Power Works delivers energy efficiency solutions through partnership with Seattle City Light and Seattle's Office of Sustainability and Environment in Seattle City Light service territory. CEEP funds support administration, marketing and outreach for existing project resources in the City of Seattle.
